Preliminary Injunction

[9]

19 The Court has considered Petitioners' motion for a class-wide preliminary
20 injunction, together with the moving, opposing, reply and sur-reply papers.

21 **It is Ordered** that the motion be, and hereby is, **Granted**.

22 **It is further Ordered** that the basis for this Preliminary Injunction is set forth
23 in the separately issued Findings of Fact and Conclusions of Law.

24 **It is further Ordered** that Respondents' request for a stay of this Preliminary
25 Injunction pending appeal be, and hereby is, **Denied**.

26 **It is further Ordered** that, pending a final resolution of this case or further
27 order of the Court:

28 1. Adelanto shall not accept any new detainees.

- 1 2. Respondents shall immediately reduce the detainee population at the Adelanto
2 Immigration and Customs Enforcement Processing Center [“Adelanto”] to such
3 a level that would allow the remaining detainees to maintain a social distance of
4 6 feet from each other at all times and at all places, including while sleeping,
5 eating, showering, and going about other daily activities, except when there is a
6 medical necessity or a safety emergency.
- 7 3. Respondents shall begin to reduce Adelanto’s detainee population forthwith and
8 shall complete the task by May 4, 2020.
- 9 4. Respondents shall reduce Adelanto’s detainee population by at least 100 detainees
10 by April 27, 2020; by at least another 150 detainees by April 30, 2020; and,
11 then, shall hit the target reduced population level by May 4, 2020.
- 12 5. Respondents shall achieve the necessary population reduction by:
13 A. Releasing selected detainees, with or without conditions of release;
14 B. Deporting selected detainees who have final deportation orders, have
15 exhausted all appeals, and are otherwise deportable; or
16 C. Transferring selected detainees to other detention facilities where detainees
17 are able to maintain a 6 foot social distance from each other at all times
18 and at all places, including while sleeping, eating, showering, and going
19 about other daily activities.
- 20 6. Any detainee who is transferred to a facility where detainees are unable to
21 maintain a 6 foot social distance from each other at all times and at all places, or
22 where the cleaning standards of that facility do not comply with the cleaning
23 standards required by this Preliminary Injunction for Adelanto, will be
24 immediately released from detention by the Court.
- 25 7. The Court shall retain jurisdiction over all class members who are transferred to
26 other facilities regardless of where those facilities are located.
- 27 8. Respondents shall have the discretion to determine which detainees are released,
28 deported or transferred.

- 1 9. The Court encourages Respondents to give priority for release, in order of
2 preference, to:
 - 3 A. Detainees over the age of 55 who have preexisting medical or mental
4 health conditions that make them more susceptible to COVID-19
5 complications;
 - 6 B. Other detainees over the age of 55;
 - 7 C. Other detainees who have preexisting medical or mental health conditions
8 that make them more susceptible to COVID-19 complications;
 - 9 D. Other detainees who do not have a history of criminal convictions; and
 - 10 E. Other detainees who have a history of only minor criminal convictions.
- 11 10. Respondents have the discretion to determine what conditions, if any, to place on
12 the released detainees, including electronic and GPS monitoring.
- 13 11. Respondents shall file, at least 24 hours in advance, a list of detainees they are
14 going to release, deport or transfer.
- 15 12. Respondents shall cooperate and coordinate with class counsel so that class
16 counsel can arrange for transportation and housing in advance of the release of
17 any detainee.
- 18 13. Respondents shall immediately put into effect at Adelanto all mandates, best
19 practices, recommendations and guidelines issued by the United States Centers
20 for Disease Control and Prevention, the State of California, and the San
21 Bernardino County Department of Public Health for the prevention of the
22 transmission of the coronavirus and COVID-19.
- 23 14. Effective immediately, all Adelanto staff shall keep a 6 foot social distance from
24 each other and from detainees, unless there is a medical necessity or a safety
25 emergency.
- 26 15. Effective immediately, Adelanto detainees shall be required to maintain,
27 whenever possible, a social distance of 6 feet from each other, unless there is a
28 medical necessity or a safety emergency.

- 1 16. As soon as the Adelanto detainee population is sufficiently reduced, Adelanto
2 detainees shall maintain a 6 foot social distance from each other at all times and
3 at all places, unless there is a medical necessity or a safety emergency.
- 4 17. All detainee common areas and shared items, including, but not limited to,
5 rooms, floors, doors, tables, seats, telephones, electronic devices, showers, sinks
6 and toilets shall be cleaned and disinfected by a professionally trained cleaning
7 staff with appropriate equipment and supplies on a regular basis whenever those
8 common areas and shared items are accessible to detainees. So, for example,
9 common areas and shared items that are accessible by detainees 24 hours a day
10 must be cleaned and disinfected multiple times throughout each 24 hour period.
- 11 18. For any area or item including, but not limited to, rooms, sinks and toilets, that
12 are used solely by one detainee, Respondents shall provide to each respective
13 detainee sufficient training, cleaning equipment and supplies, at no cost to the
14 detainee, so that the detainee can clean and disinfect those areas and items on a
15 regular basis, but at least once a day. If any detainee is unable to clean and
16 disinfect any exclusive use areas or items because of age, a medical or mental
17 health issue, or other infirmity, Respondents shall have those areas and/or items
18 cleaned and disinfected on a regular basis by a professionally trained cleaning
19 staff.
- 20 19. Any sleeping room/cell that contains a toilet without an integrated lid shall be
21 limited to a single occupant, even if multiple occupants would be able to maintain
22 a social distance from each other while in that sleeping room/cell.
- 23 20. All Adelanto staff shall wear masks and gloves, provided by Respondents, at all
24 times while on duty.
- 25 21. All Adelanto detainees shall wear masks, provided by Respondents at no expense
26 to the detainees, at all times except while eating, drinking or showering.
- 27 22. Respondents shall provide sufficient pairs of gloves, at no expense to detainees,
28 for detainees to wear at any and all times the detainees so desire.

- 1 23. Adelanto shall provide all detainees, at no expense to the detainees, with
2 sufficient quantities of soap, including hand soap, and paper towels, so that the
3 detainees never run out of those supplies.
- 4 24. As an alternative to hand soap, detainees may be provided with hand sanitizer.
- 5 25. Respondents shall create and implement any and all rules at Adelanto necessary
6 to comply with this Preliminary Injunction.
- 7 26. Respondents shall propose, by April 27, 2020, for the Court's approval:
 - 8 A. Adelanto's detainee population reduction plan, including dimensions of all
9 common areas and sleeping rooms/cells, and details as to how detainees
10 will be able to eat, shower, and go about other daily activities while
11 maintaining 6 feet of social distance at all times and all places;
 - 12 B. Adelanto's new cleaning procedures and schedule; and
 - 13 C. An operations plan that implements all components of this preliminary
14 injunction.
- 15 27. Respondents shall file, under seal, by May 1, 2020, a complete census of all
16 members of the certified class, as it was defined by the Court in its class
17 certification order. The census shall contain, at a minimum, each class member's:

 - 25 H. Location and detention status, specifically whether the class member
26 remains detained at Adelanto, has been or will be released, transferred or
27 deported; if the class member has been transferred, then the transfer
28 location shall be stated;

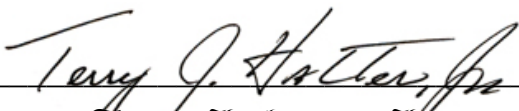

- I. Immigration status;
 - J. Immigration Court history and orders;
 - K. Whether the person has any appeals pending before the Board of Immigration Appeals or the Ninth Circuit Court of Appeals, and the status of those appeals; and
 - L. Contact information for a family member or friend to aid class counsel to coordinate transportation and housing if the detainee is released.
28. Starting on May 11, 2020, and on every Monday, thereafter, Respondents shall file a status report by 4:00 p.m. containing, *inter alia*:
- A. An updated detainee census, which shall be filed under seal;
 - B. A summary of Adelanto's current population;
 - C. A housing assignment list, broken down by housing unit and room/cell, if applicable;
 - D. Any new policy changes relating to the matters in this Preliminary Injunction;
 - E. A summary of the progress made toward complying with this Preliminary Injunction; and
 - F. Any explanation for any non-compliance with this Preliminary Injunction.
29. If Respondents fail to comply with any of the above, the Court will consider the immediate release of class members.
30. This Preliminary Injunction applies to all class members, including those who were ordered released pursuant to a Temporary Restraining Order issued by the Court in this case or in a class member's separately and previously filed case.
31. All class members released by the Court pursuant to a Temporary Restraining Orders, issued in this case or in a separately and previously filed case, shall remain released and subject to the terms and conditions of release set forth in each respective Temporary Restraining Order.
32. The Court will not issue any additional Temporary Restraining Orders or

3 33. Class counsel shall, with the cooperation of Respondents, provide the best notice
4 possible regarding the certification of this class action and the issuance of this
